

Job Description

General Laborer

Job Brief:

- We are looking for an efficient, safety-minded Laborer for a hardwood processing plant. We have long-term work available for the right candidate in a variety of positions.
- A great Laborer is reliable and able to work with attention to detail and safety standards. On-the-job training is a good way to discover how to do the job better, so you should have willingness to learn and improve.
- The goal will be to follow production procedures in order to smoothly maximize efficiency and profits.

Responsibilities:

- Lift heavy loads up to 50lbs
- Perform setup and cleanup tasks around the factory
- Provide labor support in a variety of areas
- Control and adjust machine settings (e.g. speed)
- Feed raw material into machines
- Inspect wood products with precision and measuring tools
- Check product output to spot any machine-related mistakes or flaws

Requirements:

- Understanding of production procedures
- Adherence to health and safety regulations (e.g. constant use of protective gear)
- Analytical skills
- Attention to detail
- Physical stamina and strength (ability to stand for 8 hour shift)
- High school diploma or equivalent
